Financial Summary Report  
2015-2016

CAMPBELL, RENAUD  
REPRESENTING THE SERIOUSLY INJURED

Annual Report 2015-2016

Message from President and Executive Director;  
Donors, Supporters and Volunteers;  
Financial Summary Reports

Dear CPABC members:

You are the heart of everything we do at CPABC. Our team has been working to make sure your voices are heard on different levels and issues. I would like to mention some achievements of which we are very proud:

- Supporting employment for individuals with CP, by encouraging skills crucial to finding work. Many of our Pre-Employment Program graduates are now employed in fields that meaningful to them.
- Addressing youth issues and challenges with a youth-led support group. Youth Without Limits allows disabled youth to defeat depression, anxiety, lack of self-acceptance and social isolation.
- Providing direction in the form of referrals to youth who are approaching the age of majority, through our Navigator program.

Thank you to our supporters, members and volunteers, many of whom have persistently backed our efforts to provide services to British Columbians living with CP, and our Board of Directors, who support our efforts and objectives with patience and hard work.

Don't Stop Believing and Dream Big!

Andy Yu, CPA, CA, MBA, President  
Feri Dehdar, Executive Director

## CPABC's
