# Pre-Employment Program

## Goal

To offer hard and soft skill development through workshops and practical experiences.

## Structure

The program is free of charge to participants and intensive program takes 2-3 months to complete.

## Schedule

- April 1: Employment in BC, Goal Setting
- April 8: Employment Readiness, Skill Building, Workplace Best Practices
- April 22: Employment Rights in the Workplace
- May 6: The Job Hunt: Where To Look & How
- May 20: Workplace Communication & Technology

Participants can drop in on individual workshops. The intensive program would involve attendance at all workshops plus:

- 30 volunteer hours completed at either the CPABC or another organization in line with the individuals interests and career goals
- Check-ins with a career counsellor
